

## V9

Bluguard V9 offers the intelligent 9 zones system to protect your family, apartment or office at a competitive cost. It comprises **voice feedback** and call in/ out users via the conventional phone line as the primary line and optional GSM line as the backup line.

With V series, there are no more confusing beeps, buzzes and multiple tones to remember. The innovative voice notification will report on the status of each zone. For instance, when you disarm the main gate which has been preset as Zone 1, the speaker of the control panel will announce "Zone 1 disarm."
